

# UT Laser Registration Form

All Class 3b and 4 lasers, including embedded Class 3b and 4 lasers, must be registered with UT EHS/Radiation Safety. To register your laser, complete this form and email it to [radiationsafety@utk.edu](mailto:radiationsafety@utk.edu) Safety requirements for laser systems can be found at: <https://radiationsafety.utk.edu/lasers/>

## Contact Information

Principal Investigator's Name:	
Principal Investigator's Email:	
Contact Name:	
Contact Email:	
All individuals operating this laser:	
Check here if laser is in storage [ <input type="checkbox"/> ]	
Building:	
Room:	
Department:	

## Laser Information

Laser Identification Information	
Laser Manufacturer:	
Model Number:	
Serial Number:	
Laser Type (Nd, YAG, etc.):	
Classification (3b or 4):	
Optical Characteristics	
Wavelength (nm):	
Beam Diameter (mm):	
Beam Divergence (mrad):	
Mode	
[ <input type="checkbox"/> ] Continuous Wave	Average Power (watts):      Repetition frequency:
[ <input type="checkbox"/> ] Pulsed	Joules/pulse:
[ <input type="checkbox"/> ] Q-Switched	Pulse Width:
